

TOPIA TOUCH T4 CSA

CHILLED STILL, SPARKLING & AMBIENT

The Touch T4 is the most dynamic option of the Touch range. With a simple touch on the digital screen, the Touch T4 dispenses a measured quantity of Chilled Still, Sparkling and Ambient water.

TOUCH T4 CSA | COUNTER TOP SYSTEM

The Touch T4 water system supplies portion controlled Chilled Still, Sparkling and Ambient water.

PRODUCT INFORMATION

Our water is filtered using sub-micron activated carbon filtration. This form of filtration removes any harmful toxins, odors, contaminants, and hard-water sediments leaving only the good mineral behind allowing you to have chilled, clean water on demand.
